**Programme name:** Teradha Mane Visit

**Organizer:** NSS

**Date:** 29/11/2022

**Place:** Udupi Town Police Station

**Participates:** NSS Volunteers

**No. of Participants:** 75

On 29th of November 2022 at 3:30 P.M, all the present NSS volunteers were asked to be present at the Udupi Town Police station to pay a visit and to learn the procedure, workings and to gain detailed information directly from the inspectors, which would otherwise not be possible. The inspector of the police station Mr. Promod Kumar addressed all the volunteers. He began by familiarizing us with the procedures of filing an F.I.R and what happens internally once an F.I.R is filed. He spoke in a very friendly way with a good sense of humor which reduced the feeling of intimacy towards the police for most people. Then they presented us different weapons in use in that station. Later all the volunteers were allowed to go inside the station to get the real view of how it looked from inside.

All the volunteers were then taken to the women's police station where the officers at duty took some time to explain how women should actually feel safe to fight against the crimes committed on them. They also said how careful we have to be while accessing social media and how it can affect our life in a very negative way. Later the station officers acted a kind gesture by providing everyone with chocolates before we took our leave.
