Every year, on 1st of December, the world commemorates World AIDS Day. People around the world unite to show support for the people living with HIV and to spread awareness about the same. To elucidate about the HIV in the form of entertainment, the NSS organized a puppet show. The show was put forth by Mr. Devraj "Shri Renukamathe" THOGALU GOMBE, Chickmanglur, a master puppeteer. A man renowned for his performance of puppetry around the country. He made the volunteers aware about the affect of the disease by putting on a puppet show for about an hour which was really enjoyed and learnt a lot from. This has been a very new experience for all the volunteers and a new kind of program for our college.
