

## **Industrial Visit Report-2022-23**

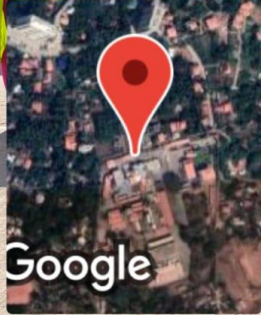

Industrial Visit by Milagres College, Dept of Commerce for B. Com Final Year students

At the fag- end of the V Semester, the Final year students of the B. Com both A & B divisions had a unique, firsthand experience to learn and familiarise themselves with factory functioning, as a part of Industrial Training on Saturday, 28th January, 2023.

Excellent opportunity was provided by the KMF (Karnataka Milk Federation) in Mangalore to allow the enthusiastic youngsters to go around the vast factory premises to understand the process and stages how the milk and milk products are manufactured, packed and distributed. The concerned in charge personnel too cooperated to explain the fully automated system to ensure quality and purity of dairy products. Sweets making and its followed packaging and beverages bottling departments also created curiosity among the students to understand as in the end the KMF authorities served free Nandhini Lassie packets to all visitors.

It was rightly a wonderful experience to both to enjoy and learn the in and out of most familiar brand of Nandini Milk Products in our districts. The Convenor of the visit Prof Karthik Nayak, Dept of Commerce, who initiated and organised the trip, thanked Mr K P. Sucharitha Shetty, President DK District Cooperative Milk Producers Societies Union Ltd for their excellent cooperation and support.

On their return, the group had a stopover at Manasa Theme Park to relax and entertain as the day was spent by the classmates with their teachers not only an educational tour but also a memorable day out with fun and laughter.
