**Venue:** Silver Jubilee Hall

**Participants:** BA Students

The Department of English organized a get-together for BA students

The Department of English organized a get-together for BA students on September 29, 2023. An ice-breaking session was conducted by Mrs. Chandrika and Ms. Prathima. The students actively participated during the session, where students from the first, second, and third year of BA mingled with each other.

The next part of the program was introducing each other. The students were divided into groups, with each group consisting of students from all classes. They were asked to introduce each other by using an adjective in front of their name, along with their personal details.

At the end of the program, feedback was given to Adheena and Sudharshan from the third year of BA, Ranjitha and Sushan from the second year of BA, and Bhoomika and Pavan from the first year of BA. They all expressed their happiness for conducting such a wonderful programme.

Dr. Jayaram Shettigar, IQAC coordinator, Mrs. Annamma, Dean of Humanities, Ms. Chandrika, Ms. Prathima, and Ms. Spandana from the English department, and Ms. Manjushree from the History department were present during the programme.
