Dr Robert Clive, Vice Principal, Crossland College, Brahmavar took our students today to a different level through his enriching session on the topic ' Skill development and being resourceful'. The whole world will come under the preview of our creativity and is the field for achieving our goals.

Through his variety of activities and group sessions he made the most beautiful presentation on developing different skills that would be useful in life. He called upon students not to remain as an ordinary individual but to aim high with the right attitude. Reflective skills, analytical skills, problem solving skills and decision making skills were touched upon by Dr Clive. In order to substantiate he gave enormous examples of real life situations.

In his introductory note Dr Vincent Alva, the Principal of the college said human life is precious, and called upon every student to take care of self by feeding positivity into their body, mind and soul.

Mr Anil Danthy introduced the guest to the gathering and Mr Ravinandan Bhat welcomed and concluded the session. Dr Jayaram Shettigar, the IQAC coordinator of the college, Mrs Anupama Jogi and Mrs Sophia Dias attended the session.
