Having a strong belief in the renowned saying that learning doesn't stop in a single day, the college had Mr Alwyn Danthy, Postgraduate Teachers, Mount Rosary English School, Santhekatte, Udupi as the resource person. Mr Danthy spoke on the concept of 'The mind control and understanding the language of the mind. He spoke aptly on controlling emotions and maintaining cool in tough situations.

He applauded the efforts of the college to instill values of life with priority for discipline amongst students. Mrs Sophia Dias, Mrs Anupama Jogi and Ms Kavya Pai were present in the session. Mr Ravinandan Bhat introduced Mr Danthy, and proposed a vote of thanks.

Dr Vincent Alva, the Principal of the college himself was the resource person today for the ongoing Orientation program for the students. The principal enlightened students on the concept of Gender, differences between the terms gender, male and female. More definitely his insights were on transgender, their life and value system we all need to develop towards this category of human beings.

He called upon the students to develop a special heart for each other and acquire 'education' and not only getting information. This is possible he said by learning values from homes, neighbors and friends.

Students clarified doubts on the topic covered. Dr Vincent Alva added a lot of warmth into his speech to make students aware of the importance of values in today's life. Ms. Kavya Pai and Dr Surekha Bhat from the department of Mathematics were present.
