

The followings are the significant contribution made by the IQAC during the academic year 2020-21;

- Conducted the regular meeting of IQAC in spite of Covid situation. Due to Covid the large gathering was not allowed so IQAC has conducted online meeting with the Parents Teachers and students in the beginning of the academic year which helped a lot to conduct online classes at the beginning of the academic year.
- Celebration of national festivals like diwali, Republic Day, Independence Day, online yoga practice on the occasion of International Yoga Day etc.
- Faculty development programme for the teaching staff, Training on Google classroom, Effective use of social media..
- Soft skill training programme for the students and Software training for administrative staff.
- Took early initiative to understand and implement New Education Policy 2020.
- Organised 10 days faculty development programme
