## Vision, Goals and Motto of Milagres College, Kallianpur

### PRAYER

Lord, teach me to be generous,  
To serve You as You deserve,  
To give and not to count the cost,  
To fight and not to heed the wounds,  
To toil and not to ask for rest,  
To labour and to seek for no reward,  
Save that of knowing that I do Your will, O Lord.

### THE COLLEGE CREST

The meaningful emblem of Milagres College, Kallianpur, bear "**Stella Duce**" (Latin), "**Led by the Star**" as its **Motto**.

It depicts "**Stella Maris**", the "**Star of the Sea**", as the Star that guides the institution (boat), on its educational voyage in the sea of life.

The Star is none other than its Patroness, the Immaculate Mother Mary, the Mother of Miracles (Milagres) who bloomed as the "**tainted nature's solitary boast**" (Wordsworth) like a lotus blooming from the quagmire.

She offered to the world her divine Son, Jesus Christ, as the Light of the World who led the world from the darkness of ignorance to the light of knowledge by His redemptive death on the cross.

### **ABOUT US**

Modern Education in Dakshina Kannada/Udupi districts as in many other parts of the world owes its beginning to Christian Missionaries. The history of the past twenty centuries shows that monasteries/Churches and convents have been the centres of education by service of humanity, chiefly through the forming of young minds and the promotion of justice and development and promotion of Historic and scientific research in a rural area. In the 1950s, the immediate Post-independence era of India, education was a luxury and reserved only for the elite. The situation was similar to coastal Karnataka. Fewer schools were run by the government, which too catered to a higher section of the people. At this critical time juncture quite a few visionaries, philanthropists, missionaries sacrificed their lives with the prime motive of enlightening and forming the young brains through quality education so that education is affordable by every marginalized, weak and needy student who dreamt but couldn't step into school.

To add to this, Bishop V.R. Fernandes of Mangalore Diocese founded the Catholic Board of Education (CBE) in the year 1932. The schools of Church Management of Mangalore and Udupi are of Mangalore Diocese came under the management of the Catholic Board of Education. The Board was registered in 1956, under the Societies Registration Act. Marching ahead in the same direction, in June 1967 at Kallianpur Milagres College was established to provide collegiate education to deserving and needy students of the vicinity. Today, Milagres College stands tall in the area for imparting quality education to all. To add to its feather, the College has completed 50 years and marching ahead with innovations but keeping alive

the vision of founders. Bifurcating from the Mangalore Diocese, a New Udupi Diocese was established on 16th July 2012. By the virtue of new diocese a Catholic Educational Society, Udupi (CESU) came into effect and Milagres College, Kallianpur became part of it.

Milagres College, Kallianpur was started mainly for the Catholic community but has opened its doors to all without discrimination of caste or creed, at the same time maintained their Christian identity, minority character, their aims and objectives.
