Dear Sir/Madam,

Sub: Request to Permit MSW students for field work practice.

We are privileged to introduce ourselves as a well established college managed by Catholic Educational Society, Diocese of Udupi, imparting quality education in Arts, Science and Commerce since 1967.

To fall in tune with a competitive employment scenario towards human service organization, MSW (Master of Social Work) course is been offered by the college.

Master of Social Work Course is combination of theory and practice: offering specialization in Human Resource Development, Medical and Psychiatric Social Work and Communality Development. The training intends to attain supervised practical experience in order to equip skills and capacities in their future endeavors. With regard to this we request you to offer Field Work placement for Mrs. Liny KM, Mr. Prodip Kro, Mr. S Guruprasad, Ms. U R Sauparnika, Mr. Chesong Terang specializing in Medical and Psychiatric Social work in your esteemed organization. This opportunity enables them to fulfill the professional efficiency through your esteemed organization.

The students placed in your organization shall work under your supervision from 18th January, 2019 onwards as on Friday and Saturday in a week.

Kindly Permit and do the needful.

Thanking you.

● **Experience from the Industrial visit:**

- Exposure to better industrial and business practices in progressing economies.
- After completing the industrial visit, we have upgraded our knowledge.
- It was a good learning experience. In each and every department, we got new ideas and new thinking which was very necessary for our personal development.
- We have visited the entire process department. They are using new machines and equipment that helps us to understand about the role of advanced technology in productivity of manufacturing goods.
- In research and development section we come to know that imported new technology from various other country which helps to improve or discover new products, In that we can understand how much important for the company to adopt internal or external factors in ever changing business environment.

Conclusion:

By observing all the given things we can conclude that the company is a big scale industry. The company exports the products outside countries. While going to the entire industrial visit, the cooperation found to be very well organized developed and most ideal industry in every walk of its production, administration and management aspects.

(M.COM)

JANATHA FISH MEAL & OIL PRODUCTS

20th November 2017

For semester one students

Beginning is always slow. But when once you start, there is no halt. This is true with our present M.Com batch. When the present academic year began, there were lots of doubts and apprehensions in the young minds. But as the year started to role on all the doubts and apprehensions started fading away smoothly from the minds. There remained only the positive attitude. Students started gathering much needed courage and turned it to be their strength. And now we have young and energetic students holding the banner of Post Graduate Department of Commerce and Research Centre.

The zeal to do better and always new, forced them to think innovatively. When they approached me with certain ideas I just encouraged them confidently, for I knew these young minds wanted to excel. They wanted to visit some industries for practical knowledge and they chose Janatha Fish Meal & Oil Products, Kota and Thalpe Fish Port. After studying the trade and production closely they have come out with a beautiful project report which gives the clear information of the seriousness in which the students involved themselves in this task.

Industrial visit was carried out at "Janatha fish meal & oil products" on 20th November, 2017 especially for semester one students. The main objective behind the visit was to make the students aware about how various activities related to Marketing, Financing and Human Resource are carried out in company and give them feel of managers as soon as they start their course.

We took almost two hours to see complete set of production which was followed by questions of students. I appreciate staff members who guided students with each and every question with detailed answers. Students have got real feel of companies working after this visit. They got a chance to transfer their theoretical knowledge to practical implication. This will even help students to understand subject matters clearly in future also.

Me along with student would like to extend our gratitude to Janatha fish meal for permission and support they gave to make our visit a success with accomplishment our objective.

Thanks

POST GRADUATION DEPARTMENT RESEARCH IN COMMERCE

M.COM (PREVIOUS)

We are 19 students accompanied by faculty Mrs.Chaitra Kotian left visit from Milagres college campus at 9.30 am and reached there by 10.20 am and enter inside the factory with HR Assistant Mr.Vinay at 10.30 am. We were guided by Mrs.Reshma to canteen for breakfast where an orientation of company was given by heads of production department about history and how company was established. After interaction with employees and collecting various information from various departments and we left factory at 2.45 pm and reached campus at 3.30 pm.

Janatha fish meal & oil products received a major supply from Malpe port. We visited to Malpe port on 28th November, 2017 in order to extract information which is related to supply of raw fish. We are total 19 students accompanied with faculty members. We also express our sincere thanks to Mr.Prakash Suvama who is guided to us about trading in Malpe port.

Milagres college kallianpur had organised a factory visit on 20th Nov 2017 to janatha fish meal & oil products Kota, for the students of M.com (previous). It was an informative, interesting and a successful visit. We express our thanks to the principal Dr.Vincent Alva who permitted us to go on the visit, the faculty members who accompanied us and the head of HR Mrs.Shilpa N, employee trainer Mrs.Reshma and other staffs who explained the various departments and sections and they also gave information about the various facilities which are available to workers.

Thank you

M.Com (previous) students

➤ BACKGROUND OF JANATHA FISH MEAL & OIL PRODUCTS:

A Janatha fish meal & oil product was established in 1989 and it was established by late K.C.Kunder presently managed by Anand kunder & sons. It is one of Asian largest manufacturers of steam sterilized fish meal, fish protein hydrolysate, fish soluble & oil products in the country and are the pioneers in developing the value added products of fish oil such as blown fish oil, sulphated fish oil & fish oil based fat liquors.

Building up of the values of core competence, Janatha fish meal & oil products has carved a niche place among the worldwide client base for quality fish meal & fish oil products. With its professional management, state of the art processing plant, strict adherence to quality and ISO specifications and matching visions. Janatha has become a name to reckon with, in the fish meal industrial segment of India.

➤ **JANATHA GROUP OF Companies**

- Janatha fish meal & oil products, Kota
- Janatha aqua products Pvt. Ltd. (Soluble paste and refinery section)
- Janatha agro products (Fertilizers)
- T J Marin products, Rathnagiri.
- Janatha ocean products, near Nagercoil, Tamilnadu.
- Janatha middle east, Omen (in process)

Janatha fish meal & oil product has the below stated objectives:

Very optimistic about their future and will make all efforts to excel and deliver unstintingly on all commitments, making serious efforts to delight their customers and exceed all their expectations.

Agro-based industry in India is growing very rapidly and need for good quality fish meal and fish oil products are increasing every year. To cater to these needs expanding their production capacity. It also come up with new manufacturing unit in Rathnagiri in Maharashtra and also expanding opportunities for starting a new factory in Omen and also in Mauritania and other West African countries.
