Describe the efforts of the Institution in celebrating /organizing national and international commemorative days, events and festivals during the last five years within 500 words

#### **Response:**

The college strongly believes that students should be sensitized about national festivals, national events, and national days to understand their responsibility towards nation. So college organizes national festivals, birth, death anniversaries of Great Indian personalities.

The college also celebrates Founders Day. Msgr. D.J.D'Souza, the founder, had a great vision for the college. The student welfare council of our college organizes intercollegiate elocution competitions in memory of founder Msgr. D. J. D'Souza every year. Another great personality who founded Science section in our college is Late V. Rev. Fr. D'Cruz. In his memory every year college organizes intercollegiate science seminar and other competitions.

The programmes on the occasion of birth anniversaries and death anniversaries of national leaders, social reformers, freedom fighters are organized in the college to inculcate the moral values among the students by introducing the life and work of these personalities. These programmes aim to provide a platform for the students to express themselves confidently. Special days are also celebrated along with these programmes. Students are given opportunities for delivering speeches, participating in debating elocution competitions and wall paper publications. The students are also guided by the college teachers to prepare themselves for participating in intercollegiate and university level competitions.

Teachers' day, Women's Day, National Mathematics Day, National Science Day, NSS day, Hindi day are also celebrated along with national festivals as Independence Day, the Republic Day and Gandhi Jayanti with zeal and enthusiasm.

Students are guided by teachers to make them well prepared and competent to participate at various level competitions. In this way college teachers play a very active role in the all-round development of students' personalities through co-curricular and extracurricular activities.
