## **Code of Conduct for Teachers**

The Code of Professional Conduct for teachers serves as a guiding compass as teachers seek to steer an ethical and respectful course through their career in teaching and to uphold the

honour and dignity of the teaching profession. Whoever adopts teaching as a profession assumes the obligation to conduct himself/ herself in accordance with the ideal of the profession. A teacher is constantly under the scrutiny of his students and the society at large. Therefore, every teacher should see that there is no incompatibility between his precepts and practice. The national ideals of education which have already been set forth and which he/she should seek to inculcate among students must be his/her own ideals. The profession further requires that the teachers should be calm, patient and communicative by temperament and amiable in disposition.

### **Code of Ethics for Principal**

The Principal is the academic and administrative head of the institute and works for the growth of the institute. He will implement the policies approved by the Governing Council, the highest decision making body of the college. He shall achieve coordination among various statutory committees and non- statutory bodies including Academic Council. He is the member of the Governing Council Chairman of Staff Council, Chairman of Finance committee and also Chief Controller of the Examinations. He monitors admissions, examinations, evaluation for smooth functioning of the system. He is authorized to nominate Coordinators, members and other administration functionaries in various committees. He is responsible according extension or changes various functionaries in the administration, with the approval of Staff Council.
