WELCOME TO THE FAMILY OF MILAGRES, GROWING SINCE 1967

This is the college which has over the years, trained thousands of young men and women, preparing them for life and presenting them to the nation.

We feel happy to serve you...

ABOUT US

Our College is affiliated to Mangalore University. Milagres College has marched a long way towards achievement of its educational mission. The journey was hard but challenging. Though some of the present educational policies are detrimental to higher education, our enthusiasm in imparting quality education has not deterred. We cherish the contentment of imparting value based education to all the students who have studied in this institution, guided by our patron Our Lady of Miracles, in the past 51 years.

Over the years, Milagres College, Kallianpur has believed and still continues to believe that a student grows in a healthy environment. Our task is to create an environment where student can build an integral personality with an all round development of intellectual, physical, moral, spiritual and social faculties. By making best use of the opportunities provided, you can find the education imparted here, a meaningful one.

Our Vision:

To strive for academic and human excellence among the students and thus attain the integral development of their personalities.

Our Mission:

- To form the rural students into responsible citizens.
- Foster leadership in service and social responsibilities.
- Develop social concern, especially for the poor and the needy.
- Form the character of the students with sound moral values.
- Foster critical thinking, creative ability and intellectual excellence.
- Encourage the intellectual, physical, aesthetic and spiritual development of the students.
- Foster the integral growth of the personalities of the students.

PRINCIPAL'S MESSAGE

"Education is the most powerful weapon which you can use to change the world". – Nelson Mandela

Milagres College, Kallianpur has a history of over five decades. It celebrated its Golden Jubilee in the year 2017. Ever since its inception, the college has been providing quality education to the youth of surrounding rural area. The youth educated in this college are today shining in the global level. The college is very much pleased to note this development. This was and is the dream of the college. Bright future of the students is the utmost priority of the college.

The Post-Graduation Courses offered in the college are an example to the academic growth of the college. The college offers M.S.W and M.Com. courses. Over the years the quality of education imparted through these departments has been conspicuously improved. The dynamism in the qualified staff members has given a new facelift to the departments. The students admitted to these courses go out at the end of the course with a smiling face with a glow of confidence on it. Students of the PG courses have bagged several ranks in the past years. The ambience is very conducive for the study with a clean campus and a voluminous library.

Brighten your future by being a part of Milagres College.

Dr. Vincent Alva
Principal

MASTER OF SOCIAL WORK

The course of study for the degree of Master of Social Work shall be full-time and its duration shall be four semesters which is two academic years. The curriculum consists of relevant theory and field work.

Social Work profession is structured to promote social changes, enhance social functioning and enrich meaning in human relations through empowerment, liberation, enquiry and problem solving. The profession believes in the dignity and worth of every individual for his or her fullest realization of capacities and adjustment with society. Social work is based on interdisciplinary theories and approaches which are found highly useful for application in social work practices.

Why M.S.W. at Milagres College ?

If you are passionate about working with people, highly motivated to succeed, have thirst for life-long learning and excel academically, then the Milagres College can be your destination. As a student, you will benefit from our first-class study options, state-of-the-art facilities and extensive connections with reputed industrial settings, specialist and general hospitals, key government departments and community organizations. Studying at Milagres College opens the door to a world of opportunities.

- * Financial Management and Investment Science (FMAIS)
- * Human Resource Development and Management (HRDAM)
- * Banking and Insurance Management (BIM)
- * Taxation (Txn)

Talent Hunt

Workshop

Why M.Com.?

Majority of the business houses are frequently looking at graduates and post graduates in commerce i.e., B.Com. and M.Com. M.Com. degree serves as a foundation for further advanced studies and research in commerce and management studies such as Ph.D. and M.Phil. degrees. M.Com. graduates can choose for further advanced studies and career in different specializations of commerce such as in Statistics, Taxation, Accounting & Finance, Cost & Management Accounting, Banking, Marketing, Insurance, HR Management, IT/ITES, etc. The post graduates in Commerce (M.Com.) are exposed to a wide range of careers dealing with the flow of money, from an accountant to an investment banker, money manager to a personal finance consultant. After Master degree in Commerce, a student can apply for the UGC-NET or JRF exam to pursue their career in teaching profession and research.

M.Com. degree holder can also work as Assistant Accountant, Accountant, Senior Account Executive, Cashier, Personal Finance Consultant, Investment Banker.

M.Com. (Applied Financial Management)

It is a specialized postgraduate course in the field of commerce which is unique and demanding in the present business world. Due to the opening up of the economy, large scale national and multinational financial institutions and industries have been established. Therefore, demand has been created in the business world for finance specialists/ executives. The study of finance specialization strengthens postgraduates' employability in the areas of financial management in both the corporate environment and government organization. The course structure and curriculum is designed in such a way that students of this course will have analytical and entrepreneurial abilities which is very much in demand in capital market and money market analysis and operation.

Research Component

The master of commerce typically requires two years of full-time study. The curriculum are generally concentrated on one subject area, see aside, and emphasizes underlying theory. Programmes usually include a thesis component and may be exclusively research based.

The M.Com. includes a research component and thus provides access to doctorate; progressing from the M.Com. a student can pursue a Doctor of Commerce, Doctor of Business Administration or a Doctor of Philosophy degree programme.

Eligibility

Candidates shall have passed the three year B.Com. / B.B.M. / B.B.A. Degree Examination of Mangalore University, or any other recognized university considered as equivalent there to provided that they have obtained not less than 45% (40% for SC/ST candidates) marks in aggregate excluding language subjects.

IN THE WORDS OF ALUMNI

"M.Com. in Milagres helped me to shape my career with many soft skill programs along with studies, which helped me in facing interview. I can proudly say that today what I am is just because of Milagres."

Mr Arun S Poojary
Senior Specialist in Payroll
Target Corporation, Bangalore

Ms Nisha Nayak K
Associate
Toyota Kirloskar Auto Parts Pvt Ltd
Bangalore

"One of the most interesting stages in life that gives you an opportunity to explore is the College Phase. My experience at Milagres College has taught me many fundamental things. The teachers, they let us know the importance of education in our life though their continuous efforts and they are the source of inspiration to us which help us to go ahead and get success."

"M.Com. in Milagres College Kallianpur, helped me to prepare myself to face the professional world with ease. The staff teachers and friends I made I cherish for rest of my life. It can really make a big difference in the college life and for future to come."

Mr Shashikanth
Associate Software Engineer
