Saturday, 4th December 2021; on the occasion of NCC day celebration, the Cadets of Milagres College Kallianpur, along with faculty members visited Planet Mars an Orphanage in Kallianpur, Udupi. Planet Mars is home for orphanage children. 25 NCC Cadets visited the place.

Planet Mars is an NGO based in Kallianpur, Udupi district, Planet Mars Foundation provides a safe home, quality education and all-round support to destitute and orphan girls. Established in 2016 by 15-year-old Rakshanda, a resident of the United Arab Emirates and a native of the district, Planet Mars Foundation has grown into one of the best NGOs in Udupi for girl child education today. At present 24 orphan children between 5 to 18 years of age are living in Planet Mars.

We reached the Orphanage at around 2:30 PM. The children of Planet Mars Orphanage were very pleasantly excited to receive the members. The children greeted us with great enthusiasm. We also met the caretaker. While interacting with the caretaker, we got to know the history of the orphanage how it was established.

On this occasion Our NCC cadets distributed stationery items, snacks, sports equipment for the children. The cadets interacted with the children. They also engaged them with various games and fun activities. All the children looked so excited and joyful.

The team spent an about two hours with the children before bidding goodbye to them. It was indeed very satisfying experience for cadets, as they could bring smiles on children faces. They realized that one contribute and understand his /her social responsibilities towards society.
