Certificate courses – BCOM

1. Certificate course-GST with Tally:

Department of Commerce, Milagres College, Kallianpur organizes a Short time Course of 30 Hours duration-“Tally with GST”.

Now-a-days it is gaining importance that, the students coming out from the Colleges and Universities must be ready to be employed. In other words, we should equip them to shoulder responsibilities and assignments and prepare them to fit into the industry to start up the work, in offices/organisations. Keeping the above objective and vision in mind and in line with NEP, Department of Commerce planned to offer Ten days of on the job training cum learning programme. Interestingly the crash course was open for students from other streams too. The Certificate course commenced on 13th June, 2022 and completed on 23rd June 2022. (Both the days inclusive). As many 58 students got enrolled and reaped rich benefits. Expert trainers were engaged to impart knowledge. BCA computer laboratory of the college allowed and offered best services and permission to utilize computers.

The management especially Principal of the College, Dr Vincent Alva encouraged and extended all cooperation with facilities to the Department. Students took part in the above programme were issued certificates.
