

Science Association 2017-18

SCIENCE ASSOCIATION 2017-18

OFFICE BEARERS OF SCIENCE ASSOCIATION

CONVENOR

Prof. Joseph Peter Fernandes

PRESIDENT

Sanjay Acharya

SECRETARY

Hephzibah Oliver

Inauguration of Science Association at Milagres College, Kallianpur

Science Association was inaugurated on 26th of July 2017 at 3pm in the audio-visual hall. The Principal Dr. Vincent Alva presided over the programme. The science association was inaugurated by Prof. Ronald Mascarehnas, retired HOD of Chemistry of St. Agnes College Mangalore. He showed the interesting side of chemistry to the students and the teachers by demonstrating enchanting experiments. Ms. Sushmitha of final B.Sc. spoke about the great scientist Late Prof. U.R. Rao. Mr. Sanjay of final year BSc welcomed the gathering. Ms. Nirmala of final BSc introduced the guest. Ms. Hephzibah of final B.Sc. proposed the vote of thanks. Ms. Vinitha of final B.Sc. compeered the programme.

AN INTERACTION WITH MR. ASHLEY ALVA

The science association organized a guest lecture on 21st July 2017 in Silver Jubilee hall on the topic “the scope for pure sciences in USA.” The Principal Dr. Vincent Alva presided over the programme. The resource person was Ashley Lenilla Alva who has completed her B.E. in Electronics and instrumentation Engineering from Birla Institute of Technology and Science. She spoke about the scope for masters and research in America. Ms. Jovita Andrade compeered the programme. Mr. Sanjay welcomed the gathering and Ms. Hephzibah proposed the vote of thanks.

TREASURE HUNT

The Science Association organized a treasure hunt for the science students on 6th September at 12:45pm in the college campus. The students participated in pairs. 24 students participated in all. The students were given clues which lead them to different places where puzzles were given to them. One team is eliminated in each step. Ashraf Ali and Poornesh of first BSc won the treasure hunt by finding the treasure first.

SEMINAR COMPETITION

The Science Association conducted a Seminar Competition on 19th January 2018 in the audio-visual hall. A total of 10 students participated in the competition. Ms. Nirmala of final BSc won the prize in chemistry, Ms. Meghana of final BSc. Won the prize in physics. And Ms. Kavya of second BSc won the prize in mathematics.

LUCERO 2K18

Science association had organized 'Lucero' - Late V.Rev. Fr. G. L. D'Cruz Memorial Competition on 23rd February 2018 under the guidance of Science Association Convener Prof. Joseph Peter Fernandes. Nearly 8 colleges participated in the competition. 9 students from each college participated. The Chief Guest was Fr. Lancy Fernandes, Head Master of Milagres High School Kallianpur. Dr. Vincent Alva, Principal presided over the function. The program began with a prayer song by Smitha and group. Mr. Sanjay Acharya, the President of Science Association welcomed the gathering and Fr. Lancy inaugurated the function by spraying chemical solutions and thereafter he delivered his inaugural address. Dr. Vincent Alva, Principal gave his presidential remarks about the competitions. Ms. Hephzibah Oliver, Secretary of Science Association proposed the vote of thanks. Ms. Meghana Puthran of 3rd BSc compered the programme. A total 6 competitions were conducted. Talk Streak- the seminar competition, 4G mind-quizzes, Funk from Junk, Paintonics, self debugging and Star Lucero were among them.

The valedictory function was held in the Silver Jubilee hall at 3.45PM. The chief guest of the function was Dr. Gerald Pinto retired principal and HOD of Physics Department. Vincent of Final BSc welcomed the gathering. Three of the participants came forward to give their feedback on the competitions. The chief Guest Dr. Gerald Pinto spoke about the humble beginnings of the science department of Milagres college Kallianpur and about how Late V. Rev. Fr. G. L. D'Cruz started the science department. He spoke about the achievements of the college. Dr. Vincent Alva, Principal Spoke to the students. Dr. Vincent Alva, Dr. Gerald Pinto and Dean of Science Prof. Subrahmanya Joshi gave the prizes to the winners. The vote of thanks was proposed by Ms. Jivitha of final year BSc.

The overall winner of the competition was Poornaprajna College Udupi and runner-up was bagged by Vijaya College Mulky.

VALIDICTORY PROGRAMME OF SCIENCE ASSOCIATION

The valedictory programme of science association was held on 26th March 2018 at 3.30pm in the A.V Hall. Dr. Gerald Pinto ex Principal was the chief guest. During the programme Sushmitha and Vinitha IIIBSc gave a power point presentation on the life and achievements of the scientist Stephen Hawking who recently passed away. Hephzibah III BSc presented the brief report of the science association. Dr. Gerald Pinto was felicitated during the programme. Prizes were distributed to the winners of various competitions conducted by science association during the year. Principal Dr. Vincent Alva gave his presidential remarks.
