Report of the Science Association 2020-2021

2020-2021 was the most critical and difficult year to the entire globe and India too. Most of the activities were prohibited by the Government to eradicate the menace of COVID-19. The Science Association conducted various programmes to help the students of B Sc. in a possible way.

1) Inauguration and Celebration of Science Day on 02-03-2021

Science Association for the academic year 2020-2021 was inaugurated on the 02-03-2021. Dr Clifha Saldanha, a renowned Professor in Nitte Institute, Nitte, Karkala was the esteemed guest. The talk on 'Science-It's scope and Future' was arranged after the inaugural programme.

2) National Science Day was celebrated under the leadership of III B Sc. Students and Honouring the Meritorious Students.

National Science day in Commemoration of Dr C V Raman was celebrated on the occasion.

BSc. Students who have excelled in semester exams, academics and co-curricular activities were honoured on 02-03-2021.

3) Plant a sapling:

In July and August 2021, Due to COVID-19 pandemic, students had online classes to a greater extent. During their stay at home, Chemistry Department along with Science Association conducted a 'Plant a sapling' competition for science and non science students, where 60 science students had planted saplings and uploaded photographs.
