Report of the Science Association 2021-2022

The Science Association conducts various programmes to help the students of B Sc. To make them creative thinkers, effective leaders of tomorrow. With the help of Physics, Chemistry and Mathematics departments Science Association organizes skill development programmes to students.

1) Inauguration and Work shop on Waste Management and Development of Green Campus.

Science Association for the academic year 2021-2022 was inaugurated on 03-03-2022. Student Representatives: Ms. Monica Mendonca-III B Sc-President and Mr. Aaronha Alex D'Souza-III B Sc-Secretary for the term 2021-2022. Mr. Joseph Rebello, renowned resource person was the chief guest. Dr Vincent Alva, the Principal presided over the programme. During the inaugural programme distinction holders were honoured. After the inaugural programme, a session on 'Waste Management Programme' on 03-03-2022, in the Audio

Visual Hall in which 56 students and 6 staff members participated in the event which had inputs, discussion and action Plan. Mr. Joseph Rebello, was the resource person.

2) Celebration of the National Science Day and Honouring the Achievers

National Science day in Commoration of the Nobel laureate Dr C V Raman, which falls on 28-02-2022 was celewbrated on 03-03-2023. On the Occasion, Science Students who have excelled academics, co-curricular activities and in Sports are honoured during the Science Association Programmes. This is to thank the students who have excelled and also to motivate others to follow the path and to contribute something to the Society.

3) Visit to Swami Vivekananda Planetarium, Science Museum and Biological Park at Pilikula, Mangalore.

All staff members of Science faculty and all 56 students visited Pilikula, Mangalore on 26-08-2022 and spent an entire day refreshing. Refreshing memories at heritage museum, Exposure to nature at Zoological park, creativity expressions in Science Museum and visuals of Planetarium added new scope for development and also spirit of Research for future in students.

4) Science Fest 'Synantiemai' for PU, UG and PG Students of Science streams.

Fr G. L. D'Cruz memorial Science Fest/Get together 'Synantiemai' was organized along with Science Association on 03-08-2022 in AV Hall, Silver Jubilee Hall, MCCE Hall and Chemistry Lab to PU, UG and PG students of Science streams. Ardent and passionate lovers of Science from the PU, Degree Colleges and Post Graduate Centres of 13 colleges numbering about 200 enthusiastically attended the Fest. The Correspondent of Milagres Educational Institutions and the Rector of the Milagres Cathedral V. Rev. V. Rev. Fr Valerian Mendonca presided over it. Mr. Derik Mascarenhas, the Vice-Principal of Dr T. M. A. Pai Polytechnic was the Chief Guest for the inaugural programme. The students exhibited their talents in various science events like Rangoli, Collage, Science Seminar, Speech, Model preparation and quiz. The leadership qualities of students were unveiled.

In the concluding programme, Dr Vincent Alva, the Principal presided over the programme and Former Principal Dr. Gerald Pinto was the Chief Guest. All the winners of various competitions held during the day were presented with trophies on this occasion. Former lecturers served in the Milagres College, especially in Science streams in Prof. Subramanya Joshi, Prof Archana Dabade, Prof. Joseph Peter Fernandes and many others participated in the event to demonstrate their solidarity.

It was a unique programme with festive look and meticulous plan and well organization. Student Volunteers contributed in a big way to arranging venues for competitions, Welcome arc, Rangoli, Cartoons of Scientists, decorations with balloons etc. to give a real festive look to the Science block of the College and AV Auditorium.
