A college undoubtedly for that matter is always occupied with serious classes, academic sessions, seminars, conferences and exams. Students make their nights a bright day to finish the presentations and assignments.

But this day Tuesday the 29th of August began with a session by Mrs Sandhya Shenoy, a renowned speaker who spoke on the 'Essence of humour and responding to realities in life' and enriched our orientation program. She presented real life situations and called upon them to develop assertiveness. Continuing her oration she threw across several instances from families, society, market and every sphere of life in which we learn lessons and shape, sharpen and formulate our lives.

In the beginning Dr Vincent Alva, Principal of the college introduced Mrs Sandhya Shenoy to the gathered and welcomed everyone. In the jam packed audience in the college Silver Jubilee hall the students internalised the various concepts to handle the day to day affairs. At the end of the session Mrs Sandhya called upon to the students to be humble and human in life.

Dr Jayaram Shettigar the IQAC Coordinator, Mrs Sophia Dias, Dr Surekha Bhat, Dr Harinakshi, Mrs Chandrika, Mrs Anupama Jogi and Ms Kavya Pai were present. Mr Ravinandan Bhat compered the program and expressed gratitude for all.
