ANNUAL E-GOVERNANCE REPORT (2022-23)

E-Governance has been running smoothly in the Administration, Finance & Accounts, Students Admission and Support, and Examination departments since 2019

E-Governance in Administration:

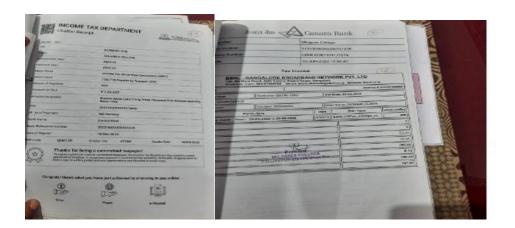

- Staff attendance is tracked via a biometric system.
- The Institute manages student Admission and fee collection via a user-friendly Enterprise Resource Planning (ERP) technology.
- Each administrative office has a complete computer system and hardware resources.
- The classrooms, the conference room and the Seminar rooms are ICT enabled with Projectors.
- To check the satisfaction level of the students, their feedback is collected online.
- Dedicated WhatsApp Groups in each academic department have been created for sharing orders, information and discussion on a common platform.

E-Governance in Finance and Accounts:

• Using ERP software makes it possible to collect money online, generate fee receipts and keep track of student fee ledgers.
