The performance of the students in the University Examinations are very commendable.

CAREER GUIDANCE & PLACEMENT CELL

The present education system, slowly transforming from its traditional knowledge-oriented approach to be employment based. Career guidance and placement cell plays a vital role in inculcating the employability skills in the students. Career Guidance & Placement Cell of the college has organized various activities to the students in the academic year 2021-2022.

BEST PRACTICES IN THE COLLEGE

The college, as per its vision, always deems it to be its primary responsibility to "transform the youth into responsible citizens and competent professionals." In order to visualize this the college organizes various programs for the benefit of the students.

Vidyarthi Darbar programme is one such among many. Vidyarthi Durbar is a unique programme organized for the students of the college. It is completely managed by the students under the guidance of the conveners of the programme.

Under the Mango Tree is yet another unique programme at our college and it has become the talk of the town. There is a huge mango tree in the middle of the campus spreading its vast branches around, which is older than the establishment of the college itself. This tree bears fruit every year and gives shade to the students. The pedestal around the tree has been chit-chat

and think-tank and mischief spot too to the students. To give a distinct and productive shape to these activities the concept called "Under the Mango Tree" was born.

VALUE EDUCATION

Value education is an integral part of the college. To help the students to become more and more responsible and sensible citizen, various activities have been organized in the college. The college through value education classes tries to inculcate right interests, attitudes and moral and intellectual values needed for the students which help them to attain their life goals.

3. Mrs. Anupamalogi : Member

The Committee constituted with The Principal, Convenor and the members is entrusted to select the deserving students to avail this facility. Students were selected on the basis of poverty, merit, distance from home to college, sports achievements, involvement in NCC etc.

The Mid day meal Scheme was launched in the year 1996-1997.Thanks to the generosity of the donors for their good- will towards the poor and needy students. It was started with a capital fund of Rs One Lakh invested in fixed deposit. Out of the interest accrued the Mid-day Meal, meals are being served to the needy students in the college canteen. Generous donors and teachers contribute towards the Mid-day meal scheme every year. The College remains ever grateful to all the donors. Once Ms Chaitrali of II B.Sc, took charge of the stage as the anchor. To begin with the Bharata-natyam performance both to seek the blessings of almighty and portray the Lord Krishna's childhood days, with the swift movements by the troupe of young dancers gave a thrilling start to the programme. Another form of popular dance was Kangeelu, with the rich attire worn by the performing young artists of the College set the stage on fire with spellbound variety of steps and body movements. It was a curious wait for the audience to cherish Chakravyuha, an interesting sequence of scenes from epic Mahabharata in Badagutitta Yakshagana by the mixture of both male and female artists of the College was really wonderful. The ultimate and finale was Pili-vesha – as the young tigers and tigers rocked the stage with team of brass band given their best. It was not only a display of unique dance but also culminated with gymnastics and heroic virtues. To conclude the stage programme, the vesting NAAC Chairperson Prof Sumitra Kukreti, applauded the artists, choreographers, supporting team off and on the screen and the Principal and all the teachers for organising such a beautiful cultural event.
